PRAISE REPORTS FOR NOVEMBER

The Presidential elections are over, the dust is settling in Washington, D.C. and around this great nation. There were victors and there were losers in the races, but no matter who is residing at the address of 1600 Pennsylvania Avenue, God is still king of this world. He should always be our Commander in Chief and if we, as a nation, sought God first then voted as He lead our heart to do, then His people are in the places He needs them for His will to be done here on earth. Praise You Jesus
