"His Banner Over Us Is Love"

Full Gospel Business Men's Fellowship

SEPTEMBER 12, 2014
MICHAEL L. POSTLEWAIT

Mike is the President of Management by Strength, Inc. and will present to our Chapter his course on "How to Walk in Agape Love". For over 35 years they have gathered tens of thousands of profiles of couples, 95% of the time at least one of the 4 temperament traits are different. So often we hear people say, "It's not what he said that irritated us, it's how we heard it". He said it HIS way and we heard it OUR way. Jesus said "Be careful how you hear". When we misunderstand other people and take their comments in a personal way, we are offended and strife and anger result. Jesus said "Do not be offended".

When people understand their temperament and why people say the things the way they do, they receive a fresh revelation of 1 John 3:16 . . . "By this we know (Agape) love, because He laid down His (Psyche/Soul) life for us. And we also ought to lay down our (Psyche/Soul) lives for the brethren".

Please create your free Temperament Profile Report online. It only takes about 7-10 minutes to complete the MBS Survey and you will immediately be able to review their report with supporting Scripture verses.

The steps to completing the MBS Survey online are: 1) Go to www.mbsfamily.com 2) Click on the "Receive your free Temperament Profile Report" link at the top of the page 3) Complete the survey. The password is FGBMFI 4) Save/Print copy of your Profile Report. Bring your report with you to the meeting.
