**Siemens Healthcare**  
**January 2015**

Chris Rackley is the Sr. Manager of Update Compliance on the Cary campus of Siemens Healthcare, one of the world's largest suppliers to the healthcare industry and a trendsetter in medical imaging, laboratory diagnostics and health IT. Chris began his career with Siemens in Customer Service in 2002. He has been promoted into various leadership and management positions before taking on his current role in 2013. In 2011, Chris was recognized as the Manager of the Year for the Customer Care Organization.

Chris has a strong commitment to serving others through volunteerism. In 2012, he was appointed to the Board of Directors for the Cary Chamber of Commerce. In addition to serving on the Board, Chris also serves as the Governmental Relations Chair, a role in which he is responsible for establishing and enhancing relationships with governmental officials that affect Cary and its business community.

In 2008, he founded Beyond the Gate Ministries, a nonprofit charity that has led several initiatives for at risk youth and vulnerable people in the Wake County area. The nonprofit also created a healthcare initiative called P.R.O.M.I.S.E.D (Promoting the Reduction of Malnutrition, Infection, Stigma and Early Death) focused on maternal and child health in Africa. In his volunteer role as the nonprofit President, Chris has traveled to countries such as Zambia, Botswana, Zimbabwe and South Africa to implement clean water projects, health educational outreach and the construction of a church community center.
