

Dave Katz Bio

Brought up Jewish & Atheist on Chicago's south side in the 60s, Dave invited Jesus in to his life in 1988 at the age of 30. Broken home, broken community, broken marriage, broken heart, but Jesus heals and restores it all.

Fast forward many years: Dave now has 30 years' experience in the IT and networking industry. He is currently Director of Cisco's Global Tech Support labs, recreating and troubleshooting customer problems. He is also a career coach, with a focus on God's calling, strengths, and working from the heart. Dave happily married Laura in 2004 and is now raising Edward (9) and Victoria (8).
