

Don't Miss Our July Speaker!
July 10, 2015 - Ricky Leonard

Ricky was born in a circus, became a hippie in the 1960's. Due to all the drugs and party life he ended up a demon-possessed young man, totally whacked out. By the age of 19 he had been shot 3 times and inflicted injury upon many others. Just before his 20th birthday he was shot in the head by police in Clearwater, Florida!

Ricky was then sent off to prison for 30 years, and has had anything but a dull life! During his time in prison, Ricky accepted the Lord Jesus, was filled with the power of Holy Ghost and, 4 years later he was totally and instantly healed from the effects of being shot in the head after praying a simple prayer of faith! He was paralyzed, and had severe brain damage, grand-mal epilepsy, loss of motor skills and many more afflictions. Today he walks in total health!

Since his miraculous release from prison in 1981 Ricky has ministered in more than 35 nations reaching the unreached and unchurched.

Every year tens of thousands come to Christ through Jungle Miracle Crusades, Youth Crusades, Free Medical Outreaches, Fresh Water Well Projects and School Outreaches. Ricky also conducts Pastors' and Leaders' Conferences and Schools on Divine Healing. Multitudes of Muslim's have received Jesus as their Lord. Hundreds of thousands have been healed from every kind of sickness known to mankind through the faith of this man of God; cancers have disappeared, blind eyes have been opened, tumors vanished, AIDS cured and the dead have been raised to life.

Ricky is ordained with Christ for the Nations Bible College of Dallas, Texas (www.CFNI.org). RLM is also an affiliate ministry with CFNI to reach souls for Christ and plant churches around the world.

Today Ricky Leonard ministers using his gifting of miracles, signs and wonders, word of knowledge and prophetic anointing. He is truly an Apostle to the nations.
