Our Guest Speaker - Evangelist Mel Tari

What a joy it was to have as our Guest Speaker Mel Tari who shared about his humble beginnings in Timor, Indonesia to traveling the world as an Evangelist and Missionary. How he and his team of young men traveled throughout Indonesia's little villages sharing Christ and seeing tens of thousands receive Christ. Mel has shared his story in hundreds of Full Gospel Businessmen's meetings throughout the United States and the World.

He told us about some of the miracles he has seen God perform. One in particular he told about a man who had been dead for several days, lying in a coffin, ready for burial. And that when he and others stood around that dead man and prayed God brought that dead man back to life. Oh how good our God is!

Mel is the author of the bestselling book, *Like a Mighty Wind*, which tells about the great move of the Holy Spirit in Asia beginning in 1965. It has been translated into more than 40 languages and millions of copies have been sold. Many of the miracles Mel has seen and detailed in the book.
