

“THANKSGIVING”, that time of year where, as Americans, we traditionally take the time to stop and share what we are most thankful for. As Christian Brothers and Sisters we should have far deeper things to give thanks for.

Our relationship with Jesus Christ offers us an opportunity to see the world from a different perspective than non-believers. The pain and suffering Jesus went through at Calvary to pay the way that our sins could forever be forgiven is the deepest thing I am always most thankful for. Opportunities to share His story and the love Jesus had for each and every person on this earth is a gift not to be compared.

For the month of November we have chosen not to have a “single” guest speaker, but rather as many as we can get to share the things they are most thankful for. Please come and join us as we invite the past guest speakers we have had to give snippets of how God is using them as well as you to spread the good news of what Jesus has done for us.

We pray you will invite your friends, neighbors, associates and family to join us at this now annual celebration of “Thanksgiving” and enjoy fellowship with likeminded people.

God has given each of us one chance to pass through this world and make a difference in the lives we touch around us. The next life you may be able to impact could be the person you invite to

This dinner meeting and share the love of Jesus Christ with.

Blessings to you,
