

# Eugen Krahn

Here is a portion of my testimony

I am Eugen Krahn. I was born in Russia to a family of Mennonites. I grew up very zealous for the Lord in an Evangelical context. Moving to Germany, I became a commercial airline pilot and later an executive with an international airline. But, **I had two passions:**

- **JESUS**
- **AND ATTEMPTING TO EXPOSE SPIRIT-FILLED FALSE CHRISTIANS**

I made documentary films of remote tribes in the Amazon drugging themselves and demonically speaking in tongues. I affiliated with John McArthur's ministry as a heresy hunter, writing books and preaching in Baptist and denominational churches on the subject. Someone invited me to a Pentecostal service in 2007. I attended this meeting to expose the frauds and false Christians, but the Holy Spirit radically baptized me in the Spirit.

I spent hours and days apologizing to the Lord for the things he had done in an attempt to stop the Charismatic "heresy." Now I preach with a passion and fire that only comes from those who treasure the Holy Spirit, signs and wonders following. At some point after my radical turn around I came up on Reinhard Bonnkes screen and the great evangelist started to personally train and mentor him.

A few weeks ago we had a glorious Gospel Crusade in Malawi. Hundreds of thousands of hungry people had gathered to hear the word every night. We don't have the official count yet but I estimate that 150,000 - 200,000 people made a decision for Christ and countless miracles took place. Reinhard Bonnke gave me much of his pulpit time to preach the gospel and pray for the sick which I am very thankful for. I am attaching a few photos. We look forward doing a Crusade in Nigeria next year.
