

EVANGELIST SHARON EAST

Reverend Sharon East came from a humble background and loving Christian family in Kentucky. Raised by a single mom, Sharon and her two older sisters knew what it was like to have a Christ centered family. She explains that her childhood was great and although there weren't many of the material things others had, the family felt rich in their personal relationship with The Lord.

The same love of Jesus Christ that was shared every time the doors were open at church was shared in the family. She explains that even though her Mother didn't drive nor have a car, they would walk to church and someone in the congregation would give them a ride home. "Moma made sure we never missed a service."

When Sharon's older sisters married and moved out it was just she and her mother. "Moma would walk around the house singing and praying all the time and from that she taught me the power of prayer and praise." Reverend East was just thirteen years old when she received the precious gift of The Holy Ghost and her life has never been the same since.

She is an ordained minister through The Church of Jesus Christ Apostolic and ministers with her husband of thirty years, Frank East. When Sharon tells you she is married to "the most wonderful and Godly man she has ever known", she is sincere about it. Their ministry is evident whenever they reach out to those in need of prayers and salvation. Sharon is an accomplished piano/keyboard player and singer. She is the mother of four children and 13 grandchildren.

Sister Sharon has just completed nursing programs at West Side Vo-Tech graduated top in her class with honors. CONGRATULATIONS SHARON!

"No one can ever tell me that God is not real or alive because He lives in me."
