

Gary & Dorothy Sample

Gary says,

**“GOD MADE US, JESUS SAVED US
AND THE HOLY GHOST WORKS IN US.”**

We all recognize him as being that big and gentle fellow that likes “raspberry filled donuts”. All kidding aside, he has a much greater desire. Gary wants his life to be a reflection of his Savior Jesus Christ. He is a friend to everyone that knows him. He’s been a lot of places, done a lot of things... and still says has a ton of stuff to do for his Lord.

Gary was led to Full Gospel by his wife. He says, **“It was so he could be made into the Godly man she always wanted.”** If you could ever nail him down long enough for an interview he’d tell you about the time the Lord healed his broken leg in a miraculous way. He only had to miss a half day of work. Or he might tell you of the badly damaged disc in his back that Jesus healed with no surgery.

I remember when he had been badly burned as a scalding hot water line broke on the boiler he was working on and sprayed all over his side. God again healed him in a miraculous way ... with no infection or skin graft necessary. He will tell you how Jesus brought him out of the trap of credit card debt.

If you notice, Gary’s life theme is all about how God has lead him and has taken care of him and his loving wife, Dorothy all these years. He is a self-employed electrician and trouble shooter. God has even allowed him to trouble shoot for Him in His Kingdom. Everywhere he goes Gary is led by God’s Spirit to hurting people that need prayer.

Gary would like for his wife to share a snippet of her testimony as well. Dorothy graduated from Cochranon High School. She then trained for 36 months at Meadville City Hospital School of Nursing. She was a registered nurse for 30 years. Most of her years in nursing were in maternity, mainly in labor and delivery.

Dorothy’s career ended abruptly after she fell at home and severely damaged her knee. Life was never the same. While in nurses training she met a tall young man in an Army uniform, on a blind date, no less, who upon his return home from Vietnam became her husband.

Gary is the National Director for FGBMFI in Northwest Pa. They have a daughter, a son, and 3 granddaughters. It seemed at the age of 50, everything that could go wrong, did! Dorothy will share some of the difficult times and how, with God’s help, and the love and support of family and friends that she was able to overcome. Come and hear how her life’s challenges and many trials were changed into blessings. Dorothy helps and encourages many people because of the things she has gone through.
